The Globe and Mail

Join a panel of leaders as they discuss why gender workplace equality is good for business and how leading organizations have developed innovative programs to integrate women at all levels:

- Learn first-hand how Canada's top diversity employers lead, sustain and ensure women are fully integrated in their workplaces
- Explore how we can move from conversations about women's equity and inclusion to building organizational cultures that ensure the success of all employees
- Assess the ways in which diverse workplaces can impact business success
